

Volunteer Team List

There are free volunteer trainings throughout the year. These trainings range from the end-of-life experience, to the grieving process, communication skills and more. Those interested in becoming a volunteer, contact our volunteer coordinator at (307) 577-4832.

Care & Compassion Partners: Connect with our patients and clients by providing friendship and emotional support, as they navigate their end-of-life journey.

Hospice Home Greeters: Answer the doors at our Hospice Homes and provide support to our amazing nursing staff, all that makes our Hospice Homes a home for our patients and their families.

Vroom Vroom Team: Provide transportation to our patients and clients when they have no other means of getting to their appointments or taking care of personal business matters.

Kitchen Crew: Do you have a talent in the kitchen? Share your delicious recipes with our patients, their families, and our staff. We have frozen meats and a stocked pantry to help your efforts too!

We Honor Veterans: Join other veteran volunteers in recognizing our patients and clients who also served our great country.

The Go Getters: Be our Go-To for running errands, like grocery or prescription pickup or other household tasks, for our patients and clients.

The Beauty Bunch: Deliver personal care services to our patients, when they are no longer able to schedule for themselves – haircuts, nail services, shaving, etc.

Spiritual Care Team: Support our patients and their spiritual needs through visits and conversation.

Vigil Volunteers: Provide presence for our patients so they will not be alone in their final hours.

The Honey-Do Team: Fill the need for household tasks or fixes that our patients and clients are no longer able to manage for themselves.

Administrative Support Volunteers: Help our administrative staff with front desk coverage, filing, mailings, and other special projects.

The Knotty Ladies of Casper: Join this incredibly talented group of gals who meet monthly to knit, crochet and sew comfort blankets and shawls which are then gifted to our patients.

The Fixers: Mend and repair blankets, clothing or other sentimental items for our patients and clients.

Bereavement Care Partners: Our services do not end with the death of a loved one. Work with our Grief Coordinator to provide follow up care to families after their loss.

Green Thumb Partners: Be part of our Adopt a Garden program and weed, tend, and care for a flower bed at the Casper campus. We have many beautiful ones to choose from!

Kids Camp Volunteers: Connect with children (aged 6 to 16), who have experienced a loss of a loved one as a Team Lead during our annual grief care camp.

With you

that is
our promise.
